Dated Chikmagalur, 22nd April 1922

Official Memorandum No O C 1653/20-21

Reference -

1 Government Order No L 4678-9/M1 207-20-4 dated the 16th February 1922, directing the exclusion of Balagadi from the limits of the Koppa Municipality with effect from the 1st July 1922

2 Letter No 239 dated the 28th March 1922 from the President of the Koppa Municipality, submitting a copy of the resolution of the Municipal Council dated the 27th idem requesting that for reasons stated therein, a recommendation may be made to Government to reconsider their order of the 16th February 1922.

==========

1 The annual income of the Municipality derived in the shape of house tax on the Government residential quarters at Balagadi is far below the amount of expenditure incurred annually on the conservancy, sanitation and other arrangements of the locality In spite of this heavy expenditure, it has not been possible for the Municipal Council to make satisfactory arrangements to provide the locality with the required conveniences The locality was therefore recommended to be removed from the Municipal area

2 The Municipality has to finance a water supply project to the town of Koppa, costing more than Rs 33,000/-, and to meet their quota of the cost, the Municipal Council have applied to Government for a loan of about Rs 6500/- The water supply to Balagadi also requires to be improved, and an estimate has been prepared for its improvement It is certain that the Municipality cannot afford, with its slender resources, to meet the cost of improvements required for the town of Koppa and Balagadi The Municipal Council have asked for a grant from Government in addition to the tax now paid, to enable them to make adequate arrangements for conservancy &c , of Balagadi Balagadi is isolated and is occupied exclusively by Government officials an

inste

instead of giving a grant to the Municipality and asking the Municipal Council to provide for the comforts of these officials, it seems best to leave the Government to make its own arrangements for the health, convenience, and comfort of its ex servants The argument that it is an honour to the Municipality if it is allowed to have Balagadi within the Municipal limits is merely sentimental, and is no ground for making a recommendation as prayed for In these circumstances, it is regretted that the request of the Municipal Council to send up their resolution for a reconsideration of the order of Government cannot be complied with

The draft proclamation called for in para 2 of the -- Government order of the 16th February 1922 referred to above should be submitted without further delay, as it has to be submitted to Government for publication in the Gazette
